Event Venues to Hire

Following many enquiries and requests from local voluntary groups, we've created a venue directory using information from our database of organisations. You can search based on facilities or location within the borough.

Search the Richmond CVS Venues Directory

Although we've pulled together a long list of venues that we think would be suitable for voluntary organisations, we're sure that there will be other venues in the borough that can be added to the list going forward. If you know of any that don't seem to be on the list, please let us know by emailing action@richmondcv.org.uk.
